

Joe Edwards.
Glasgow Mo. Sep 14th 1893.

Dear Sir.

As the "war fever" prevails here, as elsewhere, and a company of volunteers have enrolled themselves, it is their desire to have an opportunity to engage in the campaign in the event of a conflict with Mexico, a regiment perhaps will soon be organized at this point, with a view of tendering their services to you. The only reason of the slightest delay is the uncertainty of war.

My object, now, in writing, is to tender the services of a company of submarine which is already organized, and at the service and, ~~and~~ would be glad to obey the call of your Excellency at any time. Please do not neglect our ~~support~~ of your fund & funds.

With great respect
